THE
VEHICLE FOR
A STRATEGIC

LEAP
INTO
THE
FUTURE

North Carolina Agricultural and Technical State University is one of the two land-grant institutions located in the State. It is a comprehensive University with an integrated faculty and student body offering degrees at the baccalaureate and Master's levels.

The purpose of the University is to provide an intellectual setting where students in higher education may find a sense of identification, belonging, responsibility, and achievement that will prepare them for roles of leadership and service in the communities where they will live and work. In this sense, the University serves as a laboratory for the development of excellence in teaching, research and public service.

The program of the University focuses on the broad fields of agriculture, engineering, technology, business, education, nursing, the liberal arts and science.

NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY

GREENSBORO, NORTH CAROLINA 27411

Nostalgic Memories . . .

THE A. and M. College was established by an Act ratified by the General Assembly of North Carolina on March 9, 1891. Before the college could receive funds provided by the Morrill Act in the Fall of 1890, it was necessary to make provisions for Colored students. The Board of Trustees of the A. and M. College in Raleigh was empowered to make temporary arrangements for these students, and the College operated as an Annex to Shaw University, in Raleigh, during the years 1890 through 1893.

NOSTALGIC
MEMORIES

Into
The
Future

A group of interested citizens in the city of Greensboro donated fourteen acres of land for a site and \$11,000 to aid the construction of buildings. This amount was supplemented by an appropriation of \$2,500 from the General Assembly. The first building was completed in 1893 and the College opened in Greensboro during the Fall of 1893.

THE COLLEGE AGAIN.

A. & T. College Band — 1933.

THE AYANTEE: NOSTALGIC MEMORIES ... In 1939, the first Volume of the AYANTEE bearing 36 pages was published by the Senior Class. Officers were: Mercer Zimmerman Ray, Editor, Mr. Llewellyn A. Wise, Adviser. Dedication to: *Indomitable Spirit of College Youth*. The Publishing Company was Benton Review Shop. There was a period of six years between VOLUME I and VOLUME II. Though leaflets were distributed which highlighted major events.

Dr. Warmoth T. Gibbs
President (1956-1989)

Nostalgic
Memories

Through Knowledge, They Gained Equal Rights. Jesse Jackson, Jr.

The Way It Was . . .

The now famous "Four Freshmen," who in 1960 started the sit-in movement by college students, returned to the Alma Mater on the eve of the sixth anniversary of the movement. They are from left to right: Ezell Blair, Jr., now in New Bedford, Mass.; First Lieutenant Joseph McNeill, now combat navigator at Ellsworth AFB, S. Dakota; David Richmond, a student in Greensboro, and Franklin, development chemist, Charlotte, N. C.

Dr. Samuel Proctor
President (1960-1964)

President's Reception For Freshmen

ADMINISTRATION . . .

A Change in Command

Dr. Lewis C. Dowdy, former teacher, dean of the School of Education and General Studies and more recently dean of instruction on April 10, 1964, assumed the presidency of the College.

He replaces Dr. Samuel D. Proctor, who became president of the College in 1960. Dr. Proctor, while on leave from the position, had served with the U. S. Peace Corps as director of the program in Nigeria, Africa and later as associate director. Dr. Proctor resigned in March to return to the Peace Corps.

For twenty months, during the absence of Dr. Proctor, Dr. Dowdy served with distinction as acting president. During the period, our new president had gained valuable experience and a closer acquaintance with both the needs and resources of the institution.

The change of command was therefore less painful than would be normally expected in such an important transition.

A&T College was fortunate, indeed, to have within its family, two men of presidential calibre.

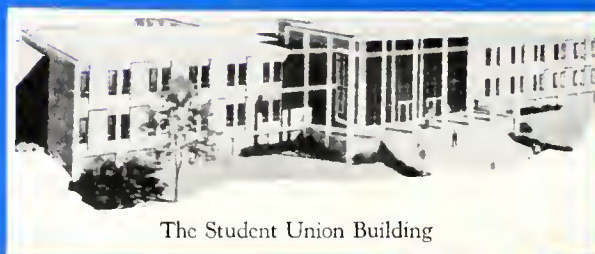

Dr. Lewis C. Dowdy
President/Chancellor
(1964-1967)

FALL EVENTS

Dr. Samuel P. Massie, speaker at the Fall Convocation, and Dr. Samuel D. Proctor, two great leaders at two fine colleges.

The Student Union Building

President Dowdy Receives One Million Dollars

On October 30, 1971, the General Assembly ratified an Act to consolidate the Institutions of Higher Learning in North Carolina. Under the provisions of this Act, North Carolina Agricultural and Technical State University became a constituent institution of the University of North Carolina effective July 1, 1972.

The New Stadium

Anticipation for the 1981 Football Season was heightened with the completion of the new Aggie Stadium. After years of playing at Memorial Stadium, a sense of achievement is felt among all Aggies now that we have our own stadium. It is improvements like this, that make North Carolina A&T a highly acclaimed university.

EDWARD B. FORT
Chancellor

April 1, 1987

Dear Aggie Students:

On behalf of the faculty, staff, administration, alumni, and Board of Trustees, I wish to congratulate the Ayantee Staff for the superb vision, the extraordinary planning and the masterful implementation which you have exercised in producing another edition of this outstanding university annual.

You have forged ahead, magnificently, in the pursuit of career goals despite those external challenges such as threatened financial aid cuts.

I am confident that this magnificent record of student achievements and remembrances will long sustain you in years to come. This year has been one of Aggieland's finest in terms of the achievement of previously established goals and of maintaining our position as the foremost historically black university in the nation. The greatness of A&T is not just a matter of bricks and mortar. It has come because of the commitment of outstanding professors and administrators.

This greatness also has evolved because of you, the students who have elected to enroll here. This university's stance is platformed upon what you achieve in four years at A&T, and it is also related to the kind of supportive alumni you will become after you leave your Alma Mater.

As some of your nationally and internationally prominent forerunners have shown, Aggies are expected to excel. And so you will!

Some of you and your fellow students will achieve heights unimagined just a few years ago. You will succeed because you are endowed with that intangible Aggie spirit which suggests that if you can dream it, have faith, and if you will dare it, you can make it a reality.

I urge you to hold the banner high, and then pass it on to the brothers and sisters who so much are depending on you. The cause for which A&T exists is just and we must all dedicate ourselves to moving this stately university proudly into the 21st Century.

Sincerely,

A handwritten signature in dark ink, appearing to read "Edward B. Fort", is written over a horizontal line. The signature is stylized with a large, sweeping flourish at the end.

Senior Class Section Editors

Monica Scott

Monica is a freshman from Bronx, New York. Her major is Professional Theatre. Her future goals are to become a professional songstress, and possibly work in the business management field in theatre. Monica's hobbies are singing, dancing, reading plays, and composing lyrics. Her organizational participation includes the Ayantee Yearbook Executive Board Committee as Senior Editor, The Richard B. Harrison Players of Paul Robeson Theatre, and T-MAC (Theatre Management Assistance Core). Monica has also been actively involved in many of the freshman activities that have occurred on campus this year.

Clemente is a junior from Enfield, North Carolina. His major is Business Administration/Agricultural Economics. Clemente believes in uplifting as we climb. His hobbies are many but they all revolve around people interaction and public relations. He is presently a member of the National Agri-Marketing Association, University Senate, Students United to Free South Africa, Men's Council, and North Hampton/Halifax Club.

The Alama Mater!! Our Blue And Gold

Dear A. and T., dear A. and T., a monument indeed,
Around thy base with grateful hearts behold thy students kneel.
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

REFRAIN

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed—
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.

Dr. Lucille J. Piggott
Dean Of Student Development
1986-87

A HERALD OF TRUTH

Dr. Lucille J. Piggott hails from Alton, Illinois and has been associated with North Carolina Agricultural and Technical State University since 1950.

As a speaker, published author, workshop presenter, leader in numerous organizations, including honor and professional, listed in six WHO'S WHO volumes, Dr. Lucille J. Piggott has served the University, the Community and our State well. For these contributions, we dedicate the 1986-87 AYAN-TEE Yearbook to her.

"THE GREATNESS OF A WOMAN, CAN NEARLY ALWAYS BE MEASURED BY HER WILLINGNESS TO SERVE."

STUDENT ORGANIZATIONS

Although, student activities are found at various levels of the University, the area of Student Activities serves as the principal administrative oversight agency for all Recognized Student Organizations. The area supports and foster the concept of total student involvement in programs and activities as an educational vehicle and developmental opportunity for both organizers and participants. Regardless of the kind or type of program selected by students, the chief objectives of which we constantly advocate are leadership, followership, initiative, intelligent obedience to constituted authority, and participation.

Activities are processed through a variety of strategies which includes intensive programming instructions from the student organizational handbook, social event forms, financial developmental goals, decision-making grid, and student activities transcript. Once activities are determined, a project activity plan is developed.

In an effort to assist students to maximize their potentialities, a great deal of programming is done within the facilities of the Memorial Student Union, Academic Facilities, Moore Gymnasium, and Aggie Stadium.

It is recognized that a truly logical student activities program must have many constituents for the development of insight and the massive collection and analysis for which students may approach the ideals of mastery, and the attainment of breadth of outlook and understanding in the field of human culture as a whole. Many thanks to Mrs. Marteena B. Wooten for the supervision and leadership of Who's Who implementation.

Philosophy and Objectives. The School of Agriculture embraces the fundamental philosophy of the Land-Grant Institution and it accepts the obligation to provide a program of resident instruction, research and extension. It administers to the general needs of an interdependent rural-urban society and to the special needs of those who desire and benefit from instruction in agriculture and home economics.

The objectives of the School of Agriculture are twofold: (1) to develop the academic proficiency to its students through organized instruction and research and (2) to share its resources with its clientele through organized short courses, conferences, and related activities designed to meet special needs.

The College of Arts and Sciences introduces the student to many fields of human interests and assists him in acquiring knowledge in the field of liberal arts and sciences. Its primary aim is to provide a liberal and professional education intended to prepare the student to perform in a wide variety of employment situation. In fulfilling its primary purpose, the College endeavors to provide opportunities for the student to acquire the knowledge, perceptions, values, and skills needed for personal development and social usefulness. It also strives through its formal curriculum and co-curriculum programs to achieve the following objectives:

1. To provide courses in general education for all students.
2. To provide courses of instruction for in breadth and in depth studies in the humanities, natural sciences and mathematics, and the social sciences.
3. To provide an opportunity for the student to acquire the tools or methods with which to gather, analyze, and evaluate information as well as the skills to communicate his thinking to others.
4. To provide the opportunity for individual creativity and development through research and other activities which inspire creativity, self-discipline, and self-criticism.
5. To provide an academic base on which individuals may enter graduate areas of specialization.

DR. MARK KIEL, CHAIRPERSON
DEPT. OF ACCOUNTING

A primary goal of the School of Business and Economics is to develop business leaders who are capable of coping with new technologies and social progress. Associated with this goal is a commitment to the objectives of quality instruction, research, professional development, and to program and service for the community, state, and nation. The School of Business and Economics also serves to perpetuate a general understanding and appreciation for the interrelationships of the national as well as world environments. The scope of the School's programs includes curricula based primarily upon key concepts and skills necessary for decision-making and problem-solving roles in business, industry, government, and education.

The School of Education provides curricula for students to prepare for teaching careers in the elementary and secondary schools of the state and for other professional careers in industry and government. The programs of study are planned to enable students to attain competence in both specialized and general areas of Education.

The School of Education includes the following departments: Curriculum and Instruction; Educational Leadership and policy; Human Development and Services; and Health, Physical Education and Recreation.

DR. WYATT D. KIRK, CHAIRPERSON
DEPT. OF HUMAN DEVELOPMENT AND SERVICES

Dr. Walter E. Dukes, Chairperson
Dept. of Industrial Technology

Initial admission of students to undergraduate degree programs is based on general admission requirements of the University. Admission, retention, and state certification of students in Industrial Teacher Education programs are based on policies described under the School of Education.

Community College and Technical Institute graduates and other transfer students may be admitted to undergraduate Industrial Education programs with advanced classification by submitting credentials to the University Admissions Office for individual assessment. Maximum transfer credit from Associate Degree programs is 62 semester hours or approximately Junior status.

Dept. of Mechanical Engineering

The School of Engineering grants bachelor of science degrees in architectural, electrical, industrial, and mechanical engineering. The programs are accreditation by the Accreditation Board for Engineering and Technology, Inc. (ABET).

New Bachelor of science programs include chemical engineering beginning August, 1985, and civil engineering beginning August, 1986. The School also offers the master of science degree in engineering, architectural engineering, electrical engineering, industrial engineering and mechanical engineering.

School Of Nursing

MRS. MARGARET C. WARREN
ASSOCIATE PROFESSOR

The program offered by the School of Nursing is accredited by The North Carolina Board of Nursing and the National League for Nursing. The School of Nursing is an agency member of the National League for Nursing in the NLN Council of Baccalaureate and Higher Degree Programs, the American Association of Colleges of Nursing and the Southern Regional Education Board Council on Collegiate Education for Nursing.

DR. VIRGINIA ARMENTROUT
ASSOCIATE PROFESSOR

MRS. HELEN B. MCCULLOUGH
ASSOCIATE PROFESSOR

The objectives of the Nursing Program are designed to provide learning experiences that will assist nursing student to: (1) Integrate knowledge from liberal arts and the sciences as a foundation for nursing practice; (2) Fulfill the functions and responsibilities of the professional nurse; (3) Continue professional and personal development.

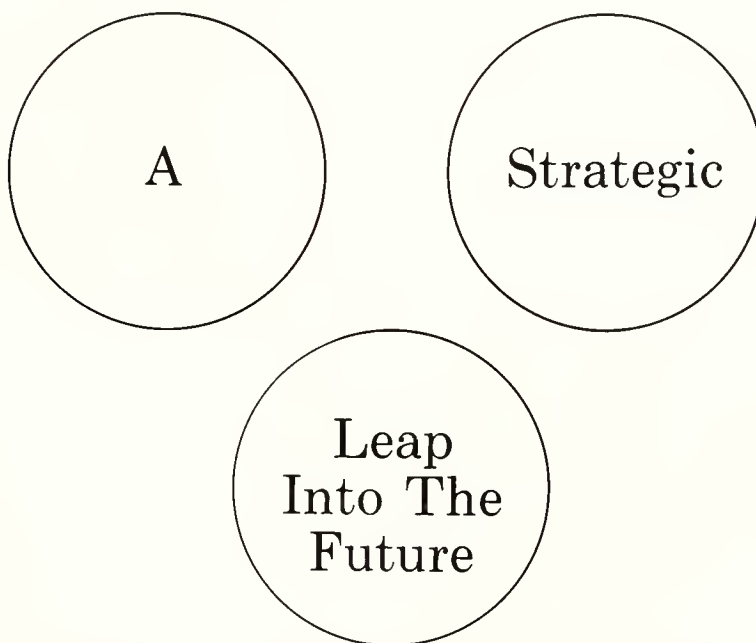

The Graduate School

Dr. Albert Spruill
Dean

Graduate education at North Carolina Agricultural and Technical State University was authorized by the North Carolina State Legislature in 1939. The authorization provided for graduate training in agriculture, applied science and allied area of study. An extension of the graduate program, approved by the General Assembly of North Carolina in 1957, provided for enlargement of the program to include teacher education as well as such other programs of a professional or occupational nature as might be approved by the State Board of Higher Education.

The Graduate School of North Carolina Agricultural and Technical State University offers advanced study for qualified individuals who wish to improve their competence for careers in professions related to agriculture, applied science, education, science research, technology, the humanities and the social sciences. Such study of information and techniques is provided through courses of study leading to the Master of Science degree and through institutes, workshops, and individual courses designed for those who are not candidates for a higher degree but who desire advanced work in certain fields of study. Second, the Graduate School provides the foundation of knowledge and of techniques required for those who wish to continue their education in doctoral programs at other institutions. Third, the Graduate School assumes the responsibility of stimulating and encouraging scholarly research among students and faculty members.

For additional information write to: The Dean of the Graduate School, North Carolina Agricultural and Technical State University, Greensboro, N.C. 27411

The Freshman Advisement And

The objectives of the Freshman Advisement and Learning Assistance Center are to provide opportunity for underprepared students to: (1) achieve competence in communication skills during the freshman year in reading writing, speaking and listening through a comprehensive, personalized instruction program. These students may advance at their own rate of speed through a carefully tailored series of educational experiences under the tutelage of their Mentors; (2) achieve competence in computational skills during the freshman year in basic college mathematics by subjecting themselves to a series of remedial, computational, and problem-solving experiences that are structured and

monitored by faculty to insure skill development. Students will be permitted to work cooperatively and independently and proceed at their own rate until mastery of computational skills has been achieved and realized by the student. Students in the freshman class will be taught collectively and/or individually how to study and succeed in a college program. Basic concepts of studying will be taught, such as budgeting one's time, how to study for examinations, how to organize and take notes, and the psychology of taking tests and passing them in various disciplines.

The center is also responsible for coordinating the advisement program for freshman students and undecided majors.

Student Body Election

FACILITATING THE ELECTION PROCESS. THROUGH INTEGRATION OF IDEAS AND CENTRALIZATION OF THE PROCESS, THESE FORM THE CORE OF THE ELECTION. EACH CLASS POLE IS DESIGNATED BY COLOR WITH A VOTING MACHINE AND POLE MONITOR. MANY STUDENTS CALL THE ELECTION PROCESS, "THE CAMPUS MEETING," SINCE IT IS THE GET-TOGETHER FOR THE STUDENT BODY. THE ELECTION PRESENTS AN UNEXCELLED OPPORTUNITY FOR DEVELOPING DEMOCRATIC PROCEDURES AND ATTITUDES. THE POLE IS OPENED FOR VOTERS FROM 6:00 A.M. TO 6:30 P.M. VOTES ARE COUNTED AND TABULATED. THE RESULTS OF THE COUNT ARE CERTIFIED TO THE APPROPRIATE CANVASSING OFFICERS WITH THE FOLLOWING DATA TO BE ANNOUNCED ONE HOUR AFTER THE POLE CLOSES: NAME AND WINNER OF VARIOUS SEATS, NUMBER OF RESPONDENTS IN EACH OFFICE GROUP, THE TOTAL RESPONDENTS FOR EACH CANDIDATE, SPECIFIC TIME AND PLACE FOR A RUN-OFF, IF NECESSARY.

Operation Santa Claus

OPERATION SANTA CLAUS "HO HO HO"

Operation Santa Claus was started fourteen years ago here at North Carolina Agricultural and Technical State University by Hattye H. Liston, an Associate Professor of Psychology.

Liston utilized the project as an activity of the Psychology Club, which she formed for Psychology majors and all other interested persons, regardless of their major.

Operation Santa Claus allows students to collect clothes, toys and accessories (whether they are new or used) that are in good condition for males and females of all ages. The gifts will then be labeled, wrapped, and given to the residents of Butner Hospital in Butner, North Carolina.

With assistance from various social clubs, fraternities, and community groups, many students enjoy this activity. There is a lot of sharing and caring to go along with each wrapped item.

Television and press coverage are the media that recognize the efforts of these willing students. Liston says, "we all enjoy this activity very much, and we feel like we are carrying out the spirit of Christmas by reaching out to someone in need. A happy holiday season to all HO HO HO!"

"Living The Dream of The Late Dr. Martin Luther King, Jr." (For Universal Peace with Justice, Human Rights, Social And Economic Progress For All Peoples.)

**A MESSAGE FROM
CHANCELLOR EDWARD B. FORT**

Dear Fellow Aggies,

Today we observe the birthday of a man who in his lifetime did immeasurable good. Contrary to the quote of Shakespeare, the good of Martin Luther King, Jr. has not been interred with his bones, but is remembered each time we gather for this celebration; each time we commit ourselves to his philosophy and precepts.

As we participate in the programs designed to commemorate one of the greatest Americans to live, may we seek to understand and measure the full value of his contributions to the peoples of this world regardless of class, color or condition.

**SIX CHALLENGES:
THE KEYS TO THE
PHILOSOPHY OF
DR. MARTIN LUTHER KING, JR.**

1. To develop a rugged sense of somebodiness by asserting a majestic sense of worth for all to hear and see.
2. To work passionately for group identity, group unity, group trust and reconciliation by forming a powerful united front.
3. To make individual and collective contributions to the life of our nation through a commitment to excellence.
4. To eradicate the last vestiges of racism by uniting around powerful action programs.
5. To eliminate the isolation of the "black middle class" from the underprivileged by having the "black middle class" assume the role of leadership to benefit the masses.
6. To be ever mindful of enlarging the whole society by giving it a new sense of values as we seek to solve our problem.

Dr. King's concept to enlarge the whole society by redefining its sense of values was indeed a noble dream which pitted the objective of the civil rights movement against every established institution in America, including the national government. Even though the importance of voluntary compliance with basic notions of decency and fair play have been recognized, if Dr. King's quest for equality for minorities in America is to be realized, then we must continue his work of resurrecting the Constitution of the United States, piercing the veil of compassion of hardened segregationists, and rekindling embers of dreams of the oppressed; thus, we must continue to meet challenges which he has set for us.

**Let Freedom
Ring!**

A SALUTE
IN MEMORY
OF THE LATE

Dr. Martin Luther King, Jr.
January 15, 1929 — April 4, 1968

Program Participants Were:

LIFT EVERY VOICE AND SING

Lift every voice and Sing
Till Earth and Heaven Ring
Ring with the harmonies of Liberty.
Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea.

Sing a song, full of the Faith
That the dark past has taught us.
Sing a song, full of the Faith
That the dark past has taught us.
Sing a Song, full of the Hope
That the present has brought us.
Facing the rising sun of our New Day Begun.
Let us march on, Till Victory is Won.

Stony the road we've trod
Bitter the Chast'ning rod.
Felt in the days when Hope unborn had died.
Yet with a steady beat, have not our weary feet
Come to the place for which our Fathers' sighed.

We have come over a way
That with tears has been watered.
We have come treading a path
Through the paths of the slaughtered.
Out of a dreary past
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years
God of our silent Tears.
Thou who hast brought us thus far on our way
Thou who hast by the might led us into the light
Keep us forever in thy paths we pray.

DEPARTMENT OF BUSINESS ADMINISTRATION SPRING SEMESTER BUSINESS SEMINARS

The Department of Business Administration is pleased to invite you to its Spring Seminars. The seminars will be held in Merrick Hall Auditorium on the campus of North Carolina Agricultural and Technical State University. For information call or write Japhet H. Nkonge, Chairman, Department of Business Administration, 315 Merrick Hall. Phone: (919) 334-7656.

Understanding the Implications of the New Tax Law

Dr. Robert Howard

Tuesday, January 27, 1987, 7:00 p.m.

Hundreds of newspaper articles have appeared recently about the new tax law, but many persons are still unclear about what it will actually mean to them at tax time. This seminar will identify the major changes in the law and evaluate their impact on the average family.

A Workshop on Entrepreneurship

Dr. Robert Howard, Dr. A. Coskun Samli and Guests

Saturday, February 28, 1987, ALL DAY
Memorial Union Ballroom

The dream of many people today is to achieve total financial independence by owning their own businesses. This all-day workshop will present several successful entrepreneurs who will discuss all aspects of starting, developing, and managing a successful enterprise.

The Real Estate Appraisal Process

Dr. James Brown

Thursday, April 9, 1987, 3:45 p.m.

A discussion of the fundamental steps a fee appraiser must consider in estimating the value of specified real property. Topics will include: defining the problem, collecting data, conducting the market, cost, income, and gross rent multiplier appraisals; and reconciliation. A discussion of current appraisal issues of interest will follow.

Towards A Maturing Marketing Concept: The Missing Necessary Ingredient in American Style Management

Dr. A. Coskun Samli

Wednesday, February 25, 1987, 3:45 p.m.

Although the marketing concept was developed in the fifties by the U.S. companies, many claim that the marketing concept has become a burden on the American economy. However, it is really possible that the marketing concept still is not understood well, and, therefore, is not implemented properly.

Underdeveloped Markets of the World: What Is the West Missing?

Dr. A. Coskun Samli

Thursday, March 26, 1987, 3:45 p.m.

A look at the world markets indicates that about two thirds of all of the world markets are described as "have nots." Why is it that most of these countries cannot get their act together and get their economies out of poverty? Some critical solutions will be presented to overcome the world poverty. The role of business will be discussed within this context.

Balanced Budget, Deficit Spending, Fiscal Responsibility, and Other Theories: What Do They Mean to a Marketing Executive

Dr. A. Coskun Samli

Thursday, April 16, 1987, 7:00 p.m.

Today's marketing executive has a major role in the overall social responsibility of business. It is very critical to understand the direction of the national economy for survival and prosperity of the firm. A non-conventional explanation of some of these concepts will be presented and will be tied into the development of marketing strategies.

Dr. Samli holds a bachelor's degree in accounting and economics from the Istanbul Academy of Commercial Science, an MBA from the University of Detroit, and a doctorate in marketing from Michigan State University. He has held numerous fellowships and lectured extensively. He is active in many professional associations and is a prolific author of scholarly works. Dr. Samli is currently the L. J. Buchan Distinguished Professor of Marketing.

Dr. Howard has an MBA in finance from the University of Chicago and a doctorate in finance and real estate from Ohio State University. He is certified as an insurance broker and a securities representative. Dr. Howard has strong business experience and has published in this area. He is currently an Associate Professor of Finance.

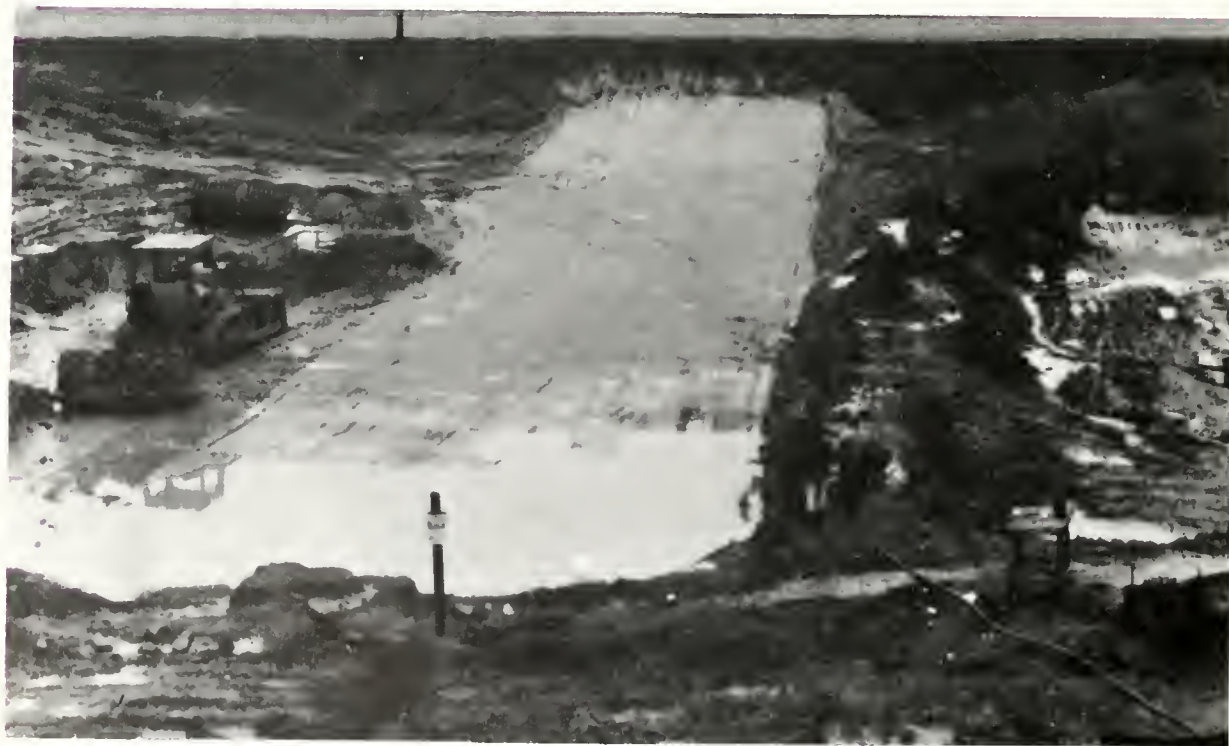

Dr. Brown received his baccalaureate and MS degrees from the University of Tennessee and doctorate from the University of Georgia. He has broad experience in designing and teaching real estate courses. He is a licensed real estate broker and is active in several professional societies. Dr. Brown has a strong record of scholarly publications. He is currently an Associate Professor of Business.

EDEN, a two-act drama set with a New York West Side apartment building. The play's theme focuses on the hostility between the different branches of a given race. In this case, the animosity is between an immigrant West Indian family, the Bartons, and an Afro-American Southern-rooted family, the Harrises, their next-door neighbors. While the Bartons are educated and sophisticated, their American counterparts are outspoken, good-natured country folk. The West Indian family is led by a rigid, ailing autocratic father, Joseph Barton, who seeks to keep the family's bloodlines pure because they are "Edenites." Trouble erupts when a romance between the Barton's youngest daughter Annette and the Harris family's Eustace develops.

Returning to the eight-member cast was Junious Leak as Joseph Barton; Claudette Alexander-Thomason as Florie Barton; Cheryl Carey as Agnes Barton; Victoria Rosa as Annette; Mary Grimes as Aunt Lizzie; Terrance Satterfield as Nimrod Barton and Rodney Ferguson as Eustace. New members of the cast will be Robert White as Solomon and Melody Garrett doubling as Annette. Dr. H.D. Flowers, II is again the director of the production as R.P. Thomason is the Scenic Designer and D.E. Coffey is the Costumer.

Top left to Right ... Maxwell Butler, Publicity Chairperson, Lolita Hester, President, Charles Brooks, Parliamentarian. Bottom l-r ... Kimberly Swanson, Recording Secretary, Kimberly Paine, Treasurer, Shirley Thomas, Corresponding Secretary, Vice-President (not pictured).

Student Space Shuttle Program

HIGH FLIGHT

O, I have slipped the surly
bonds of earth,
And danced the skies on
laughter-silvered wings;
Sunward I've climbed and
joined the tumbling mirth
Of sun-split clouds, and done
a hundred things
You have not dreamed of —
wheeled and soared and swung,
High in the sunlit silence,
hovering there,
I've chased the shouting wind
along, and flung
My eager craft through
footless halls of air

Up, up the long delirious
burning blue,
I've topped the windswept
heights with easy grace,
Where never lark or even
eagle flew;
And while with silent lifting
mind I've trod
The high untrespassed
sanctity of space,
Put out my hand and touched
the face of God.

Δ DELTA

Σ SIGMA

Θ THETA

Spring 1985
Pyramid Club
Fall '86

At the inception of the Delta Sigma Theta in 1913 at Howard University, the founders envisioned an organization of college women pledged to serious endeavor and community service. These youthful students demonstrated a vital concern for social welfare, academic excellence and cultural enrichment. Today Delta Sigma Theta is a public service sorority, dedicated to a program of sharing membership skills and organizational services in the public interest. In 1930, Delta Sigma Theta was incorporated as a national organization. The record of incorporation is filed in the Congressional Library in the office of the recorder of deeds in Washington, D.C.

"FIVE ALIVE" SPRING 86

HISTORY

The Alpha Nu Chapter was founded on April 14, 1933 at NC A & T State University. The Alpha Nu Chapter has been an intricate part of student academic, social and political life at A & T.

Kappa Alpha Psi Fraternity, founded on January 5, 1911 at Indiana University, with the ideals of achievement in every field of human endeavor has placed an unquenchable thirst in all its members throughout the decades. The fraternity seeks to raise the sights of youth and stimulate them to accomplishments higher than might otherwise be realized or even imagined.

Homecoming Candlelight Vigil

SGA President, Michael Brunson and other SGA officials pause to give thanks. It was believed that this portion of the Homecoming Candle light Vigil would posit strategies to keep "AGGIE PRIDE" and "SPIRIT" on a true course. Throughout the program, audience feedback and participation proved to be worthwhile. The President of ISA acknowledged the efforts of SGA. Advisors attending were Mrs. Dorothy Bailey and Dr. Wayman McLaughlin.

Profile of Miss A & T 1986-87
Stephanie Jeryl Tidwell

Born — March 24, 1965
Hometown — Passic, New Jersey
Parents — Ponce and Marva Whitley Tidwell, Sr.
Brother — Ponce DeLeon Tidwell, Jr.
She is a 1983 Graduate of Collegiate Preparatory School where she participated in many extracurricular activities and always had her eyes set on Aggeland.
Coming from a family of Aggies, a father who was a 1963 Architectural Engineer-Graduate and a mother who in 1962 earned a degree in Sociology and Social Work. She was groomed toward Aggeland.

PAST . . . The movement of an ACT in 1891, fastly developed into an organized body of knowledge which allowed young men young women to embark on challenges such as; academic careers, accounting, administration, agriculture, airforce, anchor personalities, army, astronaut, authors, congressmen, entrepreneurship, equal right, football and basketball coaches, jazz, opera/singers and musicians, judge, lawyers, local, regional, state, national and international representatives, major league baseball and basketball, ministers, physicians of medicine and dentistry, U.S. of America presidential candidate, theatre careers, university chancellors, presidents, and vice chancellors.

If there was any subject in which one might expect a relatively fixed mass of information for students, it would be that which deals with the past. Though, in its fullest meaning, the word "past" includes the whole paraphernalia of nostalgic memories of — insignificant and significant events. No doubt, each memory of the A. & T. history is fleeting, precious and unique. But some stand out as memories of beginnings, for which courses are set to shape the vehicle for a STRATEGIC INTO THE FUTURE.

Only a few historical epochs have been included in the 41st Edition of the AYANTEE. Other significant accomplishments have, out of necessity, been excluded because of a lack of space and time. Those students who wish to delve more deeply into Section one should consult the bibliography at the Ferdinand D. Bluford Library (Archives).

PRESENT . . . Our beloved North Carolina Agricultural And Technical State University continues to be a stalwart model of higher education. It is conceived with seven schools; Agriculture, Business, Education, Engineering, Graduate, Nursing, Technology and one college; Arts and Sciences.

Each generation of Aggies — enjoys a vast hoard of blessings, (AGGIE SPIRIT . . . and AGGIE PRIDE). With fresh acquisitions, these gifts Aggie Spirit and Aggie Pride, are transmitted to each person with the chalice of opportunity to move forward — for their contributions of all kinds will be molded in the crucible of times.

The current student body is establishing its own experience which will become a precious memory as its members progress toward graduation and beyond. Four years from now, we hope that we can say that each of you matriculated for advanced study, right here at your own Graduate School. Learn your campus, and know what your motive is for attending. For where there is no purpose, pressures become dangerous. As you matriculate, there will be many persons who will share in the planning stages as well as in the

execution of the manifold tasks connected with your great undertaking.

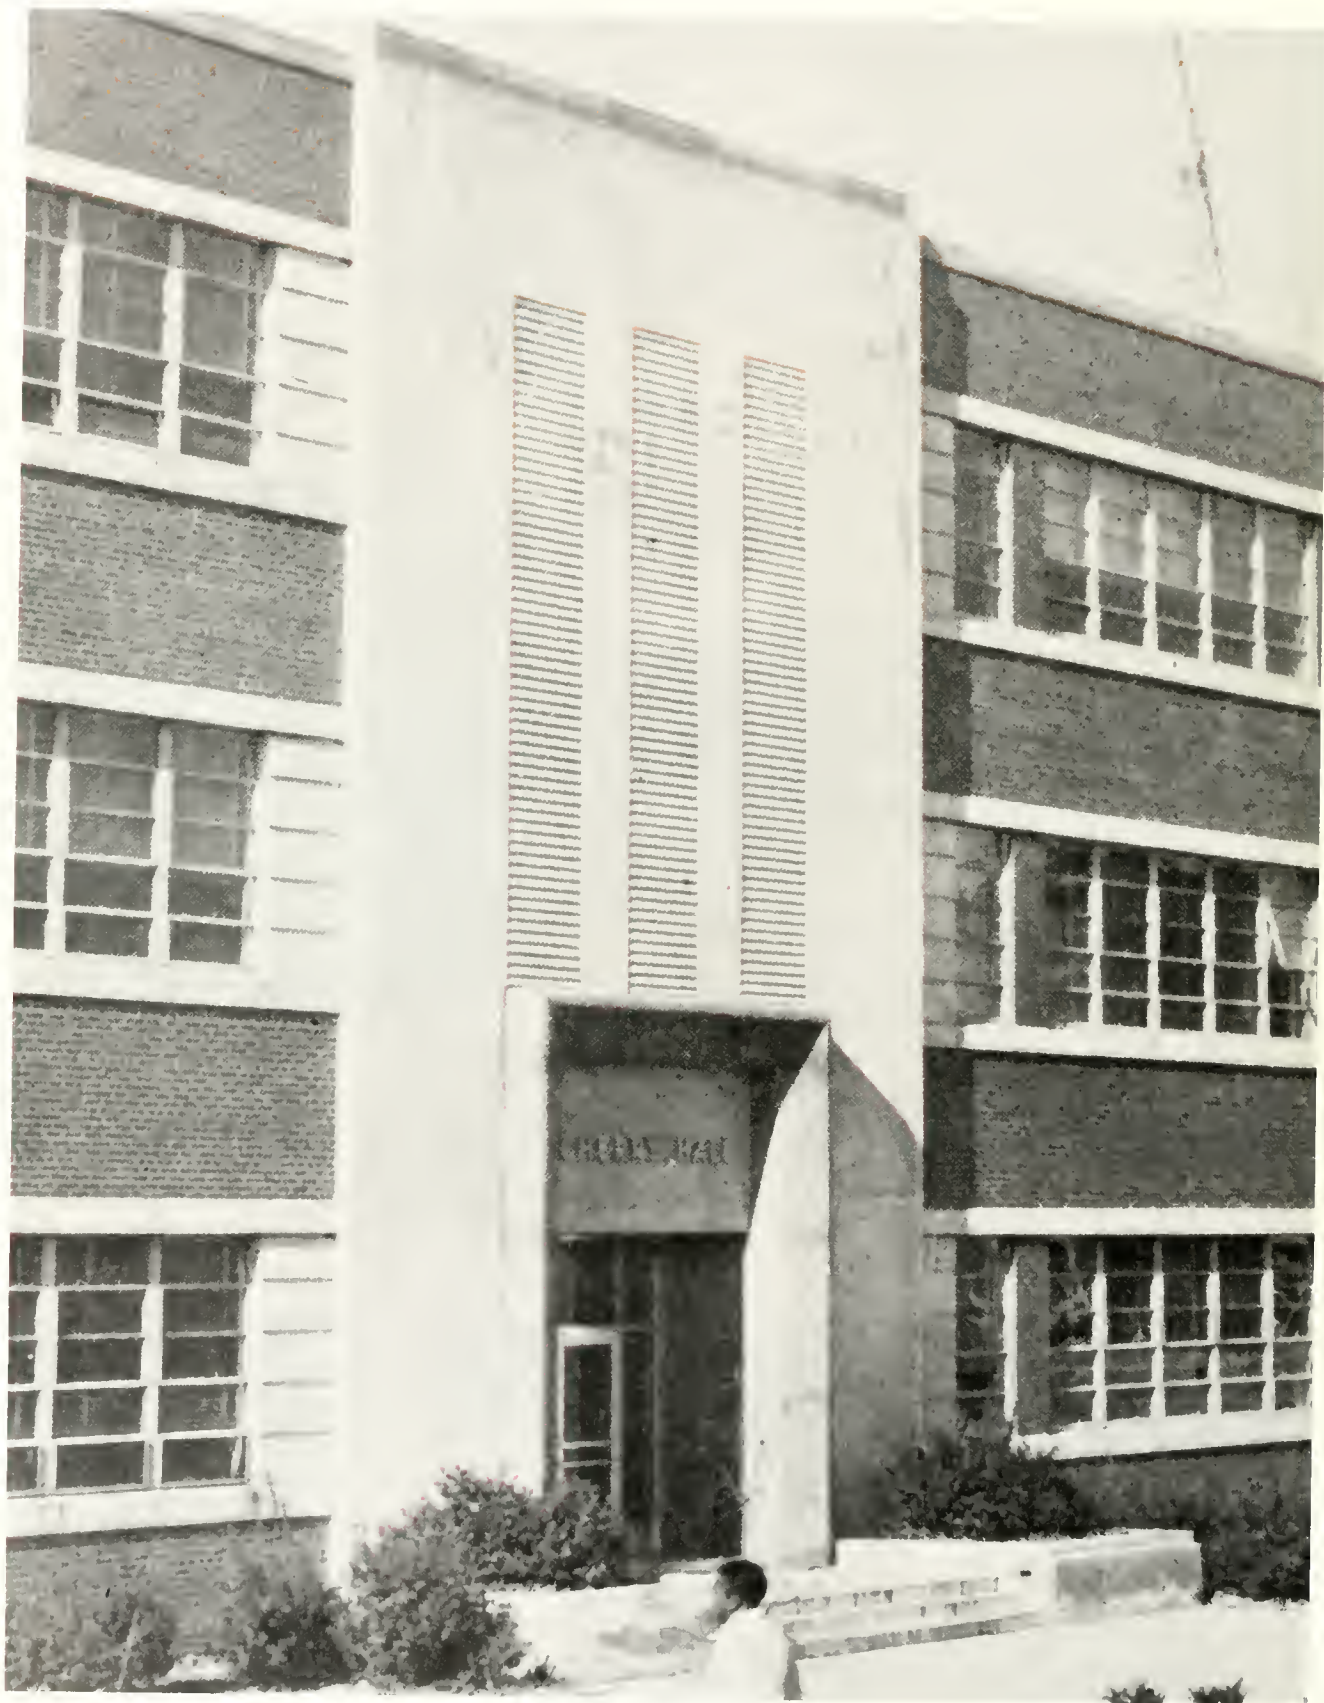

As we learn, sing and use excerpts from our beloved ALMA MATER which identifies the location of our University, we are dramatizing the description of typical Aggies by the use of the Theme, NOSTALGIC MEMORIES: THE VEHICLE FOR A STRATEGIC LEAP INTO THE FUTURE. Throughout the years, Aggies have been known to be tenacious in spite of varied circumstances. Furthermore, members of the Aggie family continue to maintain a strong, effective network of pride which encircles the globe as we serve in a myriad of noteworthy endeavors.

Homecoming along, brings to our campus unique feelings of nostalgia for our alumni, faculty and friends as they reflect on exciting days of yore. We pay tribute to them for keeping this meaningful tradition alive and glowing.

We challenge each person to keep A. & T. strong by making his or her best contributions to the positive image of a University which is concerned about people. A. & T. is great — we applaud each of you for making it this way.

FUTURE . . . Whether we accept the Biblical account or the Darwinian theory of man's origin makes no difference, for so long as we know and understand PROVERB 29:18 "Where there is no VISION the People Perish." Our beliefs are in order for the future. AGGIES will join hands and help those who are already here to perpetuate the real challenge of higher education. This great University will be determined on the basis on conceptualization and operationalizing of a decision making process involving all. WE WILL MOVE FORWARD!

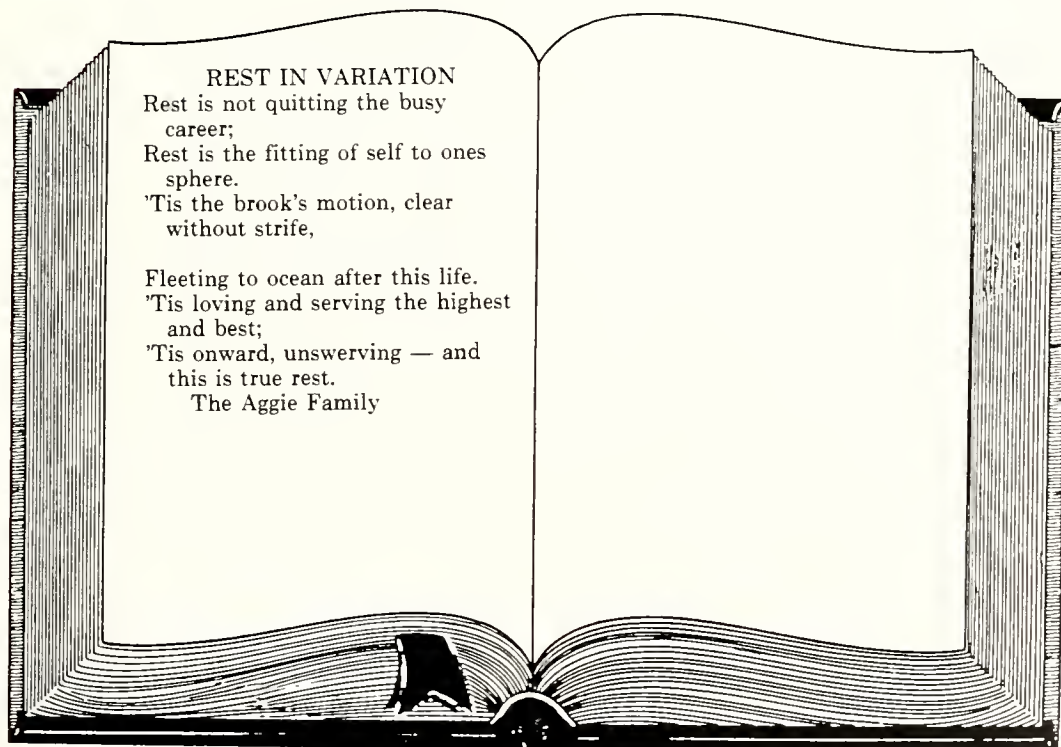

In Memory Of Our

Dear And Beloved Deceased

Aggies
